Hi Donald

I have got the two invoices from your assistant and will be going to process them.
You still need to submit the revised transmittal invoice for the Co. remittance rec'd on 02/21.

Thanks.

Thank you Emelia. Is this being processed for payment now? I don't need to resubmit the invoice, right?

I have revised the invoice for you as attached as I need to include the December interest back to the contract. Enclosed please also find the revised transmittal.
